

Why sports matter?

Sports build character, increases confidence, motivates kids to stay in school and aim for higher education. We at *Central Coast Pediatric Dental Group* care about sports and protecting your child's smile during sports. This quarter we are promoting *"Protect your healthy active smiles"* by wearing a mouth guard.

Post a picture of your child participating in a sport to our Facebook page by 8/21. With a 1-2 sentence on why sports matter?
#SPORTSMATTER

Contest Starts July 11th –Ends August 21st

Winner will receive a \$50 Dicks Gift Card & customized mouth guard.
